

See nothing, hear everything

This speaker is designed for wall-mounted left, center and right speaker positions in a discreet home cinema system, and can be mounted beside, above or below the screen, ensuring crystal-clear dialogue and dramatic special effects.

Thanks to Bowers & Wilkins unique QuickDogs™ fixing method, installation is simple, requiring no tools. And in common with other recent CI products, it features an ultra-narrow bezel and magnetically attached metal grille, both of which can be customised to complement décor.

Technical Specifications

Description	2½-way in-wall system
Drive Units	1x Ø25mm (1 in) Nautilus™ tube loaded aluminium dome tweeter 2x Ø100mm (4 in) blue Kevlar® cone bass/midrange 2x Ø100mm (4 in) paper cone bass
Frequency range (-6dB)	45Hz – 50kHz
Recommended Amplifier Power	25W – 150W
Sensitivity	88dB (2.83V, 1m)
Nominal Impedance	8Ω (4.5Ω minimum)
Frame diameter	Width: 175mm (6.8 in) Length: 625mm (24.6 in)
Cut-out diameter	Width: 147mm (5.8 in) Length: 597mm (23.5 in)
Depth behind surface (.5 in minimum wall)	78.7mm (3.1 in)
Pre-mount Kit	PMK CWMC7
